Why Attend? Hear from parents who attended last year.

*Last year's conference truly changed my daughter's life. We left feeling empowered and seeing a clearer path for our daughter's treatment – Marci Bagley*

*The conference let us meet other families who live the same life as we do. Meeting them changed our outlook. We no longer felt so alone. – Phil Reardon*

*Before the conference, I felt like we were in the dark in spite of years of living with SJIA. The connections & learnings from the conference changed my outlook and help me manage my child's SJIA better. – Sheila Taylor*
